

Instructions to authors

Journal of Natural History Museum publishes research articles, review articles, short communications and checklists.

Submission Guidelines

Organization of the manuscript

Title page

The title, authors, and affiliations should all be included on a title page as the first page of the manuscript file.

Title should be concise and comprehensible.

Authors

Author names and affiliations

Enter author names on the title page of the manuscript. On the title page, write author names in the following order:

- First name
- Middle name
- Surname/family name
- Each author on the list must have an affiliation at the time of the study with address. The current address should be listed in the byline and clearly labeled “current address.”
- An e-mail address of the corresponding author. All authors, including corresponding author, must provide an ORCID ID at the time of submission. Those who contributed to the work but do not

meet the criteria for authorship can be mentioned in the Acknowledgments.

Upon submission, authors must confirm that the manuscript, or any related manuscript, is not currently under consideration or accepted elsewhere.

Manuscript should be written in The Times New Roman, 12-point.

Abstract

Not exceed 300 words.

Results and Discussion

Results and Discussion section should be combined describing and interpreting the results furthering the conclusions. Results and Discussion section can be divided into subsections.

Acknowledgments

It is authors' responsibility to ensure the person(s), institution(s) etc. mentioned in the Acknowledgments.

Citation

It should be in APA format. Follow the author-date method in text citation (the author's last name and the year of publication) which should be appeared in the reference list.

Citation

It should be in APA format. Follow the author-date method in text citation (the author's last name and the year of publication) which should be appeared in the reference list.

References

Any and all published or accepted manuscripts can be cited in the reference list.

- References (APA format)
- In the reference list, only the first word of a title should be capitalized
- Manuscripts must provide a citable DOI or arXiv URL.
